## PROFESSIONAL EXPERIENCE

**Agency Registered Nurse** | Aya Healthcare & Mass General Brigham Internal Resource Pool | **Feb 2024–Present**  
Multistate

- Deliver evidence-based care across rehabilitation, medical-surgical/telemetry, emergency observation, surgical step-down, and float settings while rapidly adapting to facility policies, documentation systems, teams, and acuity levels.
- Coordinate with physicians, rehabilitation specialists, pharmacy, case management, and nursing teams; communicate changes in condition, discharge needs, barriers, and follow-up priorities.
- Maintain timely EHR documentation and independently prioritize complex clinical demands with flexibility and sound judgment.
- Assignments include Encompass Rehabilitation Hospital of Bowie, MedStar Georgetown University Hospital, Brigham and Women's Hospital, and Salem Hospital.

**Agency Registered Nurse – Neurosurgery** | Swedish Cherry Hill Medical Center / Aya Healthcare **Sep–Dec 2023**  
| Seattle, WA

- Managed complex neurological and postoperative care, monitored clinical changes, reinforced patient education, and collaborated across disciplines during a 13-week travel assignment.

**Inpatient Psychiatry Registered Nurse** | Beth Israel Deaconess Medical Center | Boston, MA **Feb–Sep 2023**

- Provided compassionate, trauma-informed care to diverse behavioral-health populations; advocated for patient rights, safety, treatment needs, and continuity of care.

**Neuro-Medical Surgical/Telemetry Registered Nurse** | Beth Israel Deaconess Medical Center | **Jan 2022–Sep 2023**  
Boston, MA

- Delivered equitable, standards-based care; assessed changes, coordinated interventions, educated patients and families, and mentored or precepted new nurses.
